Dear Commissioner Martin and Asst Commissioner Siekerka:

NY/NJ Baykeeper will be coordinating a kayak trip on the lower Passaic River with US EPA on Aug. 20th. The trip will launch at 9am from the newly constructed boat dock at the Newark Waterfront Park (Raymond and Somme Streets) and last approximately 2 hours. We will be investigating the Combined Sewer Outfalls that line this portion of the River.

We believe it will be an interesting and informative tour, conducive to informal discussion about water quality in the area. We cordially invite you and your staff to attend.

Please contact me directly to arrange the details. Thank you, Debbie

Debbie Mans, Executive Director & Baykeeper
